Block Quotes

Monday, October 9, 2006

-- Lawyer Aziza Al-Mifrij penned in moderate Arabic daily Al-Watan under the title "The Destructive Up-Down Weapon" (10/9):

"American forces in Iraq should fear a new lethal Islamic weapon that will annihilate them. Afterwards, they can then celebrate their stupid democracy that they want to impose on a country that loves more than anything else to be ruled by steel and fire. This weapon has no tangible attributes. It is the phrase 'praise be upon Mohamed and his descendants.'"
